OVERVIEW OF NON-PLAYING ACHIEVEMENTS

WYCOMBE WANDERERS F.C. – Manager

- When I joined Wycombe, they were losing £6,000 a week and I was asked to reduce the Player budget from £1.6m to £800,000. I achieved this within one year.
- With that 50% cut in the budget, the following season we were Division 2 title challengers but more importantly, we achieved financial stability with the selling of Nathan Tyson - a player I found from Reading F.C.
- I also brought Matt Bloomfield, Russell Milton and Mike Williamson to the club, and they all went on to have first-class careers. I promoted Ikechi Anya from the Academy and gave him his first-team debut.

FEYENOORD ROTTERDAM – Coach

- I trained over 10 players at the Feyenoord Academy that went on to play in the top five leagues in Europe: amongst them:
 - Jonathan De Guzman
 - Royston Drenthe
 - Stefan De Vrij
 - Bruno Martins Indi
 - Evander Sno.

PORTSMOUTH F.C. – Coach & Manager

- As Assistant Manager responsible for all the coaching, I helped Portsmouth win the 2008 FA Cup for the first time in their history.
- As their Manager for 16 matches, I had to sell all the players to try and raise £6m by the end of the financial year to save Portsmouth from administration. I sold Jermain Defoe to Tottenham Hotspur F.C. and the club survived relegation. I then terminated my contract by mutual consent.

FK QABALA

– Manager & Football Director & Advisor

- As Manager in 2011, the club achieved 12 clean sheets in a row, which is the 85th best record in Football history.
- As Football Director, I built a squad on a US\$6 million budget that qualified for three years in a row for the Group Stage of the UEFA Europa League from the qualifying rounds: a Europa League record.

From 2016 to 2018, I served as Vice-President of DDMC Football Management that owned the following clubs:

- Chongqing in China
- Granada CF in Spain
- Parma Calcio 1913 in Italy and
- CD Tondela in Portugal.

CHONGQING SUWEI (now Chongqing Dangdai Lifan F.C.) – Technical Director

- As Technical Director I oversaw a mid-table finish with the 6th worst budget in the league. I also trained Academy Coaches and set up Academy teams.
- I restructured the whole club and applied best practice, and oversaw planning for the new training ground complex.

GRANADA C.F. – President's Advisor, Technical Director & Caretaker Coach

- The club was a disaster when I arrived and doomed to relegation. I made recommendations to the owner in terms of restructuring the playing staff and reclaiming the club's unique identity.
- The season after I left, the club attained a 10th-place position in the second tier and regained stability thanks to those recommendations. They are currently in a very healthy position in the Primera Liga in Spain, at one point being top of the table this season.

PARMA CALCIO 1913 – President's Advisor

- When I arrived at Parma the club was on an upward trajectory and there was very little to do apart from checking that all the staff were working efficiently, which they all were.

My contract with DDMC Expired on the 1st of January, 2018. With all four teams in good shape, I choose not to renew my contract and return to the UK for some rest.
